

American Red Cross

All American Red Cross swimming lessons are taught by trained Water Safety Instructors in our swimming pools. During the fall, we offer a variety of different options for lessons to help accommodate those families with busy schedules. See the next page for a description for each of the different levels. To register for swimming lesson, contact the aquatics director by phone at 860-677-2489 or by email at Aquatics.fftac@gmail.com.

Below are the listings for Fall Swimming lessons.

We have added time between classes for parents to ask questions and for instructors to provide feedback on the lessons.
